

HELP KEEP LATHROP PARKS & STREETS SAFE & CLEAN

Lathrop Animal Services and Parks & Recreation

Some important rules to remember
when visiting the
Lathrop Dog Park:

- Dogs must wear a collar with identification at all times & be vaccinated.
- Puppies under 4 months are prohibited.
- Minor children must be accompanied by an adult.
- Aggressive dogs must leave.

The Lathrop Dog Park will be closed this summer for reconstruction due to levee upgrades by RD-17 to all parks along the levee.

The City of Lathrop has many parks for the enjoyment of our citizens. While using our parks, please keep in mind that if you bring your dog, your dog must be on a leash.

The only place dogs are allowed off leash is in the City's new Dog Park. The Dog Park is located at River Park South, 17801 Inland Passage Way, Lathrop. The park is a grass, fenced-in dog park to allow dogs to run free and play without a leash.

While using any of our parks, even the fenced in dog park, please be courteous of your fellow citizens and pick up after you animals. Those plastic bags from your grocer are great for litter-removal; they easily fit in your pocket and are ready when you need it.

Please make sure to clean up after your dog at any park!
